Oct. 13-- Oct. 13--The Crutcher & Hartley Team with RE/MAX Properties has received the RE/MAX Circle of Legends Award, which honors highly successful agents who have earned more than \$10 million in commissions and have completed 10 years of service with the company. Since its inception in 2001, the Circle of Legends Award has been achieved by less than half of one percent of all active agents in the RE/MAX network.

"It's a tremendous honor to receive this prestigious award," said partner, P.J. Hartley. "As a real estate team with RE/MAX, we're fully committed to helping our clients find the home that is right for them. We are extremely proud to be a Circle of Legends Award winner and thankful to have a supportive team that continues to encourage one another to raise the bar in real estate."

The Crutcher & Hartley Team has earned RE/MAX Diamond Club, RE/MAX Titan Club, RE/MAX Hall of Fame, RE/MAX Lifetime Achievement Award, Top 100 Most Influential Real Estate Agents, and REAL Trend's "America's Best Real Estate Agents." In addition, the Crutcher & Hartley Team actively supports the American Cancer Society, East Texas Food Bank, and "Bras for the Cause" supporting Susan G. Komen.

True Vine Brewing Co.wins bronze

True Vine Brewing Co. was awarded a bronze medal at the 2019 Great American Beer Festival competition, the world's largest commercial beer competition. The GABF, presented by the Brewers Association, recognizes the most outstanding beers produced in the United States. Gold, silver and bronze medals were awarded on Oct. 5 at the Colorado Convention Center in Denver, in 107 beer categories covering 174 different beer styles (including all subcategories), establishing the best examples of each style in the country.

True Vine Brewing Co. was recognized in the Contemporary Gose beer-style category for its Galactic Minotaur Gose, a German-style wheat ale made with coriander and pink Himalayan sea salt. "We got into this **business** to create great craft beer for our East Texas community. To walk away with a medal from the largest beer competition in the world is a dream come true. It's a win for Tyler, as much as it is for True Vine," said Ryan Dixon, founder and owner at True Vine Brewing Co.

"This year's GABF competition was the largest and most competitive to date," said Chris Swersey, competition manager, Great American Beer Festival. "The beers and talent were as impressive as ever, and I'm thrilled to congratulate this year's winners for their achievements in brewing."

True Vine Brewing Company is Tyler's first craft brewery. Opening its doors in 2014 by founders and owners Ryan and Traci Dixon, their mission has been to foster quality community over great craft beer.
