customers.

2. A Category 2 customer is a representative who has been authorized by actual customers to represent them. Category 2 involves a more formal arrangement where a customer or a group of customers selects a more skilled person to represent the customer's views in a proceeding. A customer or group of customers may also form or authorize a group to represent them, and the group, in turn, may authorize a representative such as an attorney to represent the group. A representative authorized by a customer must identify the residential customer(s) being represented and provide authorization from at least one customer. See D.98-04-059 at 30.

□

3. A Category 3 customer is a formally organized group authorized, by its articles of incorporation or bylaws to represent the interests of residential customers or small commercial customers receiving bundled electric service from an electrical corporation.² Certain environmental groups that represent residential customers with concerns for the environment may also qualify as Category 3 customers, even if the above requirement is not specifically met in the articles or bylaws.

See D.98-04-059, footnote at 3.

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

The party's explanation of its customer status must include the percentage of the intervenors members who are residential ratepayers or the percentage of the intervenors members who are customers receiving bundled electric service from an electrical corporation, and must include supporting documentation: (i.e., articles of incorporation or bylaws).

Sierra Club meets the third definition of "customer" provided in Public Utilities Code section 1802(b)(1)(C). **Sierra Club** is a "representative of a group or organization authorized pursuant to its articles of incorporation or bylaws to represent the interests of residential customers" **Sierra Club** is a non-profit, member-based, "public benefit" California corporation with over 600,000 members nationwide and more than 140,000 members living in California. Many of **Sierra Club**'s California members are residential customers of PacifiCorp. **Sierra Club** estimates that up to 2,000 members are customers of PacifiCorp. **Sierra Club**'s membership consists entirely (100%) of residential ratepayers. (**Sierra Club** cannot precisely state the number of members that are PacifiCorp's customers because PacifiCorp's service territory does not overlap completely with **Sierra Club** local chapters.)

Sierra Club's Articles, Bylaws, Standing Rules and policies authorize and require it to represent the environmental interests of its members - including PacifiCorp customers. **Sierra Club**'s Board of Directors is democratically elected by its members.

(See **Sierra Club** Standing Rule ("S.R.") 4.8.1.) **Sierra Club** is expressly authorized to participate in environmental legal actions to advance its mission, including lawsuits

2 Intervenor representing either a group of residential customers or small commercial customers who receive bundled electric service from an electrical corporation, must indicate in Part I, Section A, Item #4 of this form, the percentage of their members who are residential customers or the percentage of their members who receive bundled

electric service from an electrical corporation. The NOI may be rejected if this information is omitted.

and administrative proceedings. (See S.R. 5.15.1 and 9.1.1.)

For decades, **Sierra Club** has participated in environmental lawsuits and administrative proceedings, and has appeared many times before the California Public

Utilities Commission. For example, **Sierra Club** was an active participant in the Energy Storage and 2010 and 2012 Long-Term Procurement Plan proceedings (“LTPP”), and was awarded fees for its substantial contribution to the 2010 LTPP.

(See D.13- 10-068.) Open proceedings **Sierra Club** is active in include Residential Rate Design (R.12-06-013), the 2014 LTPP (R.13-12-010), the Joint Reliability Plan (R.14-02- 001), and SDG&E’s Application for Approval of the Carlsbad Energy

Center PPTA (A.14-07-009). **Sierra Club**’s environmental concerns encompass a broad range of energy and pollution issues. Specifically, **Sierra Club** is a leader in the effort to reduce California’s and the nation’s dependence on fossil fuels. The highest current priority of **Sierra Club**’s work is eliminating the need for fossil fuel-fired power plants through the development of affordable renewable energy and clean

integrating resources. **Sierra Club** has been active in the Legislature and its committees, as well as in the Governor’s office, to accelerate California’s transition to a carbon free grid. The interests of the customers represented by **Sierra Club** are

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

unique and well suited to this proceeding and are not adequately represented by other

parties that have intervened in this proceeding. **Sierra Club** participated in proceedings in Oregon and Utah addressing the same Deer Creek transaction that is at issue here, and therefore has developed unique expertise and knowledge about the risks associated with the transaction.

As the Commission has recognized: "With respect to environmental groups, we have concluded they were eligible in the past with the understanding that they represent customers whose environmental interests include the concern that, e.g., regulatory policies encourage the adoption of all cost-effective conservation measures and discourage unnecessary new generating resources that are expensive and environmentally damaging. (D.88-04-066, mimeo at 3). They represent customers who have a concern for the environment which distinguishes their interests from the interests represented by Commission staff, for example." D.98-04-059, at 29 n. 14.

The Commission has accordingly approved **Sierra Club**'s intervention with entitlement to compensation on several occasions. See, e.g., D.13-12-027, D.13-10-068, D.09-10-054. **Sierra Club**, consistent with its governing documents, appropriately represents the environmental and energy conservation interests of its members who are California IOU customers. **Sierra Club** therefore qualifies as a "customer" as defined in section 1802(b)(1)(C) of the Public Utilities Code and the Commission's decisions applying this section to environmental organizations.

A Prehearing Conference has not been set at this time.

2b. The party's information on the proceeding number, date, and decision number for any Commission decision, Commissioner ruling, Administrative Law Judge's ruling, or other document authorizing the filing of NOI at that other time:

On October 1, 2015, the Commission made a preliminary determination that no hearing was necessary. Notice of the filing of the application first appeared on the Commission's daily calendar on September 23, 2015. In accordance with Rule 2.6(a), protests were therefore due within 30 days, which is October 23, 2015. In accordance with Rule 17.1(a)(2), notices to file intervenor compensation are due 30 days after the deadline for responsive pleadings, which is November 22, 2015, a Sunday. Revised September 2014

PART II: SCOPE OF ANTICIPATED PARTICIPATION

(To be completed by the party ("customer") intending to claim intervenor compensation)

A. Planned Participation (§ 1804(a)(2)(A)(i)):

The party's statement of the issues on which it plans to participate:

Sierra Club plans to address whether PacifiCorp's decision to enter into the Deer Creek transaction, transfer ratepayer assets to Bowie Resources Partners, and enter into the long term coal supply agreements bundled into the agreement was in the best interests of customers. **Sierra**

Club further plans to address PacifiCorp's violation of Public Utilities Code Section 851, and the

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

environmental impacts of the transaction as they relate to the California Environmental Quality Act (CEQA).

The party's explanation of how it plans to avoid duplication of effort with other parties:

Sierra Club is not aware of any other party that plans to intervene in this proceeding. To the

extent other parties do intervene, **Sierra Club** will work to avoid duplicative effort.

The party's description of the nature and extent of the party's planned participation in this proceeding (to the extent that it is possible to describe on the date this NOI is filed).

Sierra Club objected to the Commission's preliminary determination that hearings will not be

necessary. **Sierra Club** believes that hearings will be necessary to allow **Sierra Club** and other interested parties an opportunity to provide expert testimony to rebut the assertions made by

PacifiCorp that the transaction is in the public interest. **Sierra Club** intends to conduct discovery, introduce evidence showing the significant environmental impacts that will result from the transaction, and participate in evidentiary hearings and briefing.

B. The party's itemized estimate of the compensation that the party expects to request, based on the anticipated duration of the proceeding (§ 1804(a)(2)(A)(ii)):

[Item 2]

TOTAL ESTIMATE: \$53,000

Estimated Budget by Issues:

At this early point in the proceeding, **Sierra Club** does not know which issues will require what

proportion of time. **Sierra Club** expects 100% of the budget for experts to apply to a review of the

Deer Creek transaction. For attorney's fees, **Sierra Club** roughly estimates the following: 60% -

Deer Creek transaction; 10% - PacifiCorp violation of Section 851; 30% - CEQA.

When entering items, type over bracketed text; add additional rows to table as necessary.

Estimate may (but does not need to) include estimated Claim preparation time. Claim

preparation time is typically compensated at $\frac{1}{2}$ professional hourly rate.

PART III: SHOWING OF SIGNIFICANT FINANCIAL HARDSHIP

(To be completed by party ("customer") intending to claim intervenor

compensation; see Instructions for options for providing this

information)

A. The party claims "significant financial hardship" for its Intervenor

Compensation Claim in this proceeding on the following basis:

Applies

(check)

1. “[T]he customer cannot afford, without undue hardship, to pay the costs of effective participation, including advocate’s fees, expert witness fees, and other reasonable costs of participation” (§ 1802(g)); or

☐

2. “[I]n the case of a group or organization, the economic interest of the Individual members of the group or organization is small in comparison to the costs of effective participation in the proceeding” (§ 1802(g)).

☐

3. A § 1802(g) finding of significant financial hardship in another proceeding, made within one year prior to the commencement of this proceeding, created a rebuttable presumption in this proceeding (§ 1804(b)(1)).

Commission’s finding of significant financial hardship made in proceeding number:

Date of Administrative Law Judge’s Ruling (or CPUC Decision) in which the finding of significant financial hardship was made:

☐

B. The party’s explanation of the factual basis for its claim of “significant financial hardship” (§ 1802(g)) (necessary documentation, if warranted, is attached to the NOI:

Sierra Club received a ruling of significant financial hardship in R.14-02-001 on July 25,

2014. **Sierra Club** has also received the same finding in other Commission proceedings

Revised September 2014

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

including A.10-03- 014, R.08-08-009, R.10-05-006, R.12-06-013. In R. 12-06-013, ALJs

Sullivan and McKinney Revised September 2014 determined, on February 25, 2013, that:

Sierra Club's estimated cost of participating in this proceeding far exceeds the

economic interests of the individual members of **Sierra Club** or of **Sierra Club** itself.

Thus, **Sierra Club** showing meets the eligibility criteria for intervenor compensation set

forth in § 1804 because **Sierra Club** has demonstrated that it qualifies for a finding of significant financial hardship pursuant to § 1802(g).

The average utility bill of **Sierra Club**'s California members and the customers it represents

continues to be small compared to the costs of effective participation in this proceeding. **Sierra**

Club, therefore, should continue to be entitled to a finding of significant financial hardship pursuant to Public Utilities Code section 1802(g).

Sierra Club does not anticipate any challenge to its eligibility for compensation in this

proceeding. If any party does attempt to challenge **Sierra Club**'s eligibility, **Sierra Club**

requests that it be granted the opportunity to reply to such party's allegations within 10 days

after the service of such filing

SR. 2.2.4: **Club** Assets

National, chapter, group, and other **Club** entities are authorized to use assets that

are made available to them for delivery of current programs, including coalition

building, fundraising, and administrative activities necessary to carry out the

mission and achieve the goals of the **Club**. However, it is within the exclusive

powers of the Board to restrict, lien, hypothecate, lend, encumber, transfer to

foundations, trusts or other third parties without consideration, the assets of the

Club. This exclusive Board power does not annul restrictions imposed by donors.

Adopted as a policy 09/26-27/98; amended and adopted as a Standing

Rule 02/20-21/2000; amended 05/19-20/06, 02/24/07

SR. 2.2.5: Conflicts of Interest

(a) Preamble. Every person elected or appointed to a position of authority in an

organization has a duty of loyalty to, and must act in the interests of, that

organization. A conflict of interest is a situation that exists when someone's

loyalty may be divided between the first organization and a second person or

4

organization. No one should be faulted merely because a conflict of interest

situation exists. A problem arises only when someone takes action related to the

conflict. A person in a conflict of interest situation may act appropriately by

respecting his/her duty of loyalty, or may act inappropriately by violating it. It is

the action - the behavior - that is or is not appropriate.

(b) General Policy. As part of their duty of loyalty to the **Club**, volunteers and

staff have an obligation and responsibility (i) to disclose any conflict or potential

conflict of interest on any issue promptly as such conflict arises, (ii) to abstain

from participation in FINAL deliberations and decisions concerning that issue,

and (iii) to abstain from public comment upon that issue.

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

(c) Definition.

(i) A conflict of interest situation exists when any volunteer or staff member, or said person's immediate family, or any party, group or organization to which said person has allegiance, has a direct or indirect financial or other material interest in a proposed contract, transaction, or arrangement with the Club, or in a policy or position of in the Club.

(ii) An interest in holding an elected or appointed Club volunteer leadership position does not constitute or create the appearance of a conflict of interest. A person seeking appointment or election to such a position may properly deliberate and vote on the setting of rules of general application for the appointment or election process, endorsements for the position, and on the appointment or election itself.

(iii) Club volunteer leaders are responsible for self-identifying those individuals that the volunteer considers to be "immediate family members" in this policy.

(d) Applicability. This policy applies to all volunteers, including volunteer leaders who are authorized to vote in the decision of any Club entity at the group, chapter, committee or national level, to all volunteers who are authorized to speak on behalf of the Club, and to all staff, including staff of chapters, groups or committees, and including all independent contractors.

(e) Existence of a Conflict of Interest Situation.

(i) When there is a doubt as to whether a conflict of interest situation exists, the matter shall be resolved by a vote of the authorized voting members of the Club entity involved, with the person concerning whose situation the doubt has arisen

present, but not voting or, in the case of any staff member, by the Executive Director. The Board of Directors is the final arbiter on all matters involving conflict of interest situations.

5

(ii) When there is disagreement on whether a conflict of interest exists, the Club entity involved in the decision making process resolves that question by a separate vote on each matter and each individual who is argued to have a conflict. If more than one individual is argued to have a factually indistinguishable conflict of interest, the Club entity may resolve the question by a single vote on whether a conflict exists as to all such individuals. A conflict of interest will be found to exist only if a majority of the members of the Club entity who were present at the meeting when the disagreement arose votes that such a conflict exists.

(f) Obligation to Disclose. Disclosure shall be to the Club entity (group or chapter executive committee, internal or issue committee, or Board or other national entity) most directly involved or, in the case of staff, to the Executive Director. At least annually, or at the time the situation arises, all volunteer leaders and staff shall disclose any conflict of interest situation. At least annually, all volunteer leaders and staff members shall disclose any direct or indirect benefits that they are receiving or will receive as a result of agreements between the Club and any outside party. However, existence of a minor interest in pension fund investments and third party-managed funds shall not constitute a conflict of interest.

(g) Obligation to Abstain from Deliberations. When any such conflict of interest

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

situation is relevant to a matter requiring action by any **Club** entity within which, or over which, the person concerned has any authority, decision-making role, or voice, the interested person shall call it to the attention of that entity and shall retire from the room in which the **Club** entity is meeting and shall not participate in the final deliberations regarding the matter. However, that person has the right to, and should, upon request, provide the **Club** entity with any and all relevant information they may have concerning the matter. Final deliberation means a discussion on the merits of a matter pending by motion before a **Club** entity.

(h) Obligation to Abstain from Decision. In any conflict of interest situation, the person concerned shall not vote or otherwise participate in any decision concerning that matter.

(i) Documentation. The minutes of the meeting of the **Club** entity shall reflect that the conflict of interest was disclosed and that the interested person was not present during the final deliberation or vote and did not vote.

(j) Obligation to Abstain from Public Statement. No volunteer or staff member shall make any public statement, as a **Club** spokesperson, on any issue (internal or external) regarding which they may have a possible conflict of interest. All volunteers and staff shall refrain from public comment, as a **Club** spokesperson, about conflict of interest issues except as authorized by the President.

(k) Notice and Review of Policy. A copy of this conflict of interest policy shall be furnished to each volunteer leader and staff member who is presently serving the

6

Club, or who may hereafter become associated with it. This policy shall be

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

reviewed annually as a part of a meeting of each **Club** entity for the information and guidance of volunteer leaders, and any new volunteer leaders shall be advised of the policy upon undertaking the duties of their office. This policy shall be prominently included in the employment manual for all existing and new staff members.

[Notes: This Standing Rule does not apply to concerns arising from attendance

and participation at meetings by **Club** members who are not voting members of

the **Club** entity at issue. For information on that topic, see Bylaw 5.14 and chapter and group bylaws regarding open meetings. For Guidelines in the implementation of this policy, see Board Policies document.]

SR. 2.2.6: Standards of Conduct

(a) Affirmative Standards of Conduct

(i) Serving in an appointed to elected position of leadership is a privilege that can be lost either by ignoring the duty of loyalty expected of all **Club** leaders or by violating the following affirmative standards of conduct.

(ii) **Club** leaders have an obligation to meet the following affirmative standards of conduct, and to hold other leaders accountable to them as well, in all **Club** interactions with others, including in person, in writing, on email, or on the phone.

(A) Communicate and work together with common courtesy and collegial respect; disagree without being disagreeable.

(B) Create a welcoming environment for new members, visitors, guests, staff and volunteers. Avoid cliquishness, behavior that fosters an “insider” vs. “outsider”

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

culture and language or behavior that offends others. Seek to welcome and engage people who reflect the diversity of the community.

(C) Always represent the **Club** and its mission in a positive and professional manner; keep disagreements within the **Club**.

(D) Accurately present the **Club**'s policies and positions when communicating on behalf of the **Club**; don't use a **Club** leadership role or title to advance personal views that are not the **Club**'s position.

(E) Respect your obligation to the **Club**'s members; use member lists and information about members for **Club** purposes only.

(F) Use **Club** resources wisely and in keeping with the fiduciary responsibility of all leaders.

(G) Foster an open democratic decision-making process; respect decisions once they are made.

(H) When speaking of other **Club** leaders praise publicly, criticize privately and tactfully.

(I) Seek to resolve differences with other **Club** leaders, avoid fractionalism and behavior that exacerbates or prolongs conflict.

7

(J) Respect the policies and procedures that have been established by and for members engaged in specific **Club** activities; when in doubt, ask.

(b) Misconduct. The following actions constitute misconduct:

(A) Physical or sexual assault or violent threats toward others.

(B) Embezzling or misdirecting **Club** funds, membership lists or other assets for activities not authorized by the responsible entity.

(C) Use of slurs, epithets, threats, intimidations, negative stereotyping or other derogatory language regarding gender, race, ethnic or national origin, color, ancestry, medical condition, religion, age, sexual orientation, or physical or mental disability. Actions or behavior that denigrates, threatens, shows hostility or aversion towards, or seeks to exclude an individual or group from participation because of these characteristics.

(D) Fraud, libel, defamation or illegal activity of any kind in the conduct of **Club** business.

(E) Illegal or unethical professional conduct outside the **Club** if that misconduct could significantly damage the **Club**, its staff, its members or its assets.

(F) Harassment, threats or any action directed toward **Club** employees that violate **Club** employment policies or are covered by law.

(c) Dealing with Disruptive Personal Behavior

(i) The chair of the relevant **Club** entity has an obligation to deal quickly and decisively with violations of the affirmative standards of conduct or actions constituting misconduct. All disputes over personal behavior that may violate the affirmative standards of conduct or may constitute misconduct should be resolved at the most local level, and informally whenever possible. Disputes over personal behavior may also warrant the removal, suspension or barring the member from

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

leadership positions or participation in certain activities.

(ii) Formal actions under Standing Rule 5.10.2 can be taken to remove, suspend or bar members from leadership positions (except members of the Board of Directors) or participation in certain activities.

(iii) Immediate Suspension

A. The Executive Director, Board President, and the Chair of the Board Volunteer Leadership Advisory Committee, or their acting designee, together have authority to immediately suspend a member from leadership positions (except members of

the Board of Directors) or from participation in specific **Club** activities for

misconduct. Any **Club** member who believes that a member has engaged in

misconduct can make a written request to the **Club**'s Executive Office for the

immediate suspension of that member from a leadership position (excepting

members of the Board of Directors) or from participation in specific **Club**

activities.

8

B. Any action to immediately suspend a member for misconduct must be based on a fair assessment (clear documentation, multiple reports, direct communication with those involved) that creates strong reason to believe that misconduct occurred.

C. In cases of the immediate suspension of elected leaders, the process for Termination of Membership or Suspension of Member Privileges (Standing Rule 5.10.2), or the process for resolving conflicts between volunteers and staff must be used to determine whether the suspension should be reversed, extended for a specific period of time, or made permanent. One of these processes must be

initiated within three weeks of a suspension.

(d) Resolving Disputes

(i) Policy Disputes. When there is a dispute regarding interpretation, application

or disregard for Club Bylaws, these Standing Rules, policies, guidelines or other

governing procedures, leaders should seek clarification from the relevant staff

entity, for referral or appeal if necessary to the appropriate Board Advisory

Committee or the Executive Committee. No leader should act in violation of a

policy interpretation that has been provided by the appropriate staff entity. If the

leader believes the interpretation is incorrect, he or she should appeal or seek

clarification from the appropriate Board Advisory Committee or the Executive

Committee, but shall not act in violation of the interpretation the leader has

received.

(ii) Decision-Making Disputes

(A) All Club leaders involved in a contentious decision-making process are

nevertheless expected to behave according to these Standards of Conduct. This

includes decisions regarding priorities for action, strategies and tactics, and the

allocation of resources where differences of opinion can be heated.

(B) All disputes among volunteers should be resolved at the most local level

possible. If these disputes cannot be resolved locally, the Office of Volunteer and

Activist Services shall provide assistance in resolving disputes.

(e) Authority is delegated to the Board Volunteer Leadership Advisory

Committee to develop and adapt, as needed, guidelines for resolving disputes over

these Standards of Conduct.

(f) Board Discretion. These procedures shall not deprive the Board, at any point

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

in the process, from taking such actions as it may deem necessary or advisable for

the best interests of the **Club**.

(d) Sexual harassment can be grounds for termination of **Club** membership in accordance with SR.5.10.2, Removal of Members from Leadership or from the **Club**, or termination of employment as governed by **Club** employment policies and contracts. Sexual assault is considered serious misconduct, as governed by SR. 2.2.6, Standards of Conduct.

(iii) Communities where there are no accessible public meeting facilities available that would not place a financial burden on the entity. In this event, a location may be used that meets the specific accessibility needs of members who might attend, but may not fully meet all requirements for public facilities.

three (3), shall constitute a quorum for the transaction of business by the Board.

The Board may delegate management of the activities of the Club to any person or persons or committee, however composed, provided that the activities and affairs of

the Club shall be managed and all corporate powers shall be exercised under the ultimate direction of the Board. [5151, 5210, 5211]

SR. 5.1.1: Indemnification and Insurance

(a) The Club shall, to the maximum extent permitted by the Corporation Law, indemnify its Directors and officers against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative, arising by reason or fact that any such person is or was an officer or Director of the Club, and shall advance to such officer or Director expenses in preparing for or defending any such action or proceeding to the maximum extent permitted by law. For purposes of this section, a "Director" or "officer" of the Club shall mean any person who is a Director or officer of the Club, or is serving at the request of the Club as a Director or officer of another corporation or enterprise. The Board may, in its discretion, provide by resolution for the indemnification of, or advancement of expenses to, other corporate "agents," as that term is used in Section 5238(a) of the Corporation Law, and may likewise refuse to provide for indemnification or advancement of expenses except to the extent any such indemnification is mandatory thereunder or under Section 2802 of the Labor Code of the State of

5.3. Members of the **Club** comprising one-twentieth of one percent (1/20% or 0.0005) of the membership, but not less than 100 or more than 500, may also nominate one or more candidates for Director by a petition signed within eleven (11) months preceding the next election and delivered to the principal office of the **Club** by the date set for the close of nominations. [5521]

SR. 5.3.1: Nominations - Petitions

(a) Before petitions are circulated for nomination of a Director, the Secretary must be notified of each proposed nominee in writing by mail, fax or e-mail, in care of the Executive Office in San Francisco, by noon Pacific time on the last business day in

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

November. The written consent of each proposed nominee must be received before petitions for them are circulated.

(b) All Regular and Life members of record on April 30 shall be counted for determining the number of signatures required on a petition to nominate a candidate for Director. On the date the petition is signed, the signer must have been a member of the Club in any membership class for at least 60 days.

(c) Members for whom nomination petitions are being circulated shall be called "petitioners." Petitioners become "candidates" and "nominees" after the Secretary
17

certifies that their petitions meet the requirements of the Bylaws and Standing Rules. The provisions of Standing Rules 5.2.1 through 5.6.2 apply equally to petitioners and nominees (candidates).

(d) Petitions must use the signature forms created by the Executive Office or fullsized copies thereof, but the top may carry a short promotional paragraph about the petitioner, the back may be used for biographical material, and the bottom may specify mailing directly to the Executive Office or some other place.

Separate forms must be used for each petitioner. Each signature must be accompanied by a legible printed name, the date of signing, and the membership number and/or address of the signer. No signature dated earlier than 11 months before the date of the election, dated before a petitioner has notified the Secretary of their candidacy, or any undated signature will be counted. Signed petitions shall be delivered in original, facsimile, or by electronic transmission capable of being printed in clearly legible tangible form to the Executive Office by noon Pacific time on the date set for the close of nominations. Acceptance by a regulated carrier that commits to delivery by the deadline shall constitute timely

delivery, provided that actual delivery does not occur more than one day late.

(e) Petitions shall be retained by the Executive Office for four months after the close of nominations.

Adopted 11/20-21/82; amended 02/1-2/86, 11/11-12/89, 09/21-22/96, 09/26-27/98, 11/14-15/98, 11/13-14/99, 11/16-18/01, 09/19-20/03, 05/19-20/06

5.4. All nominees must be members of the Club in good standing, must have been

members of the Club in good standing continuously for one year prior to the date set for the close of nominations, and must agree to accept the nomination.

Nominations shall be closed on December 30, or such later date as is fifteen (15) weeks preceding the date set for counting the ballots. The Nominating Committee shall request the nominees individually to submit a statement on behalf of their candidacy no later than two (2) weeks after the close of nominations. The committee shall then file the nominations and statements with the Secretary, with the nominations arranged in an order determined by lot. The form of the statement shall be established by the Nominating Committee, which shall decide on any questions of compliance with any standards that the committee may establish with respect to such form. [5522]

SR. 5.4.1: One-Year Requirement

Nominees must have been members of the Club in any membership class continuously for one year prior to the date set for the close of nominations.

Adopted February 24, 2007

5.5. The Board shall appoint from the membership of the Club three (3) Inspectors of Election and a number of alternates, who shall supervise the election, oversee the counting of ballots, tabulate the results, and report to the President and the

18

Secretary in writing the number of votes for each candidate and the names of those elected to serve as Directors. No Director or nominee may serve as an Inspector of Election or alternate. [5615]

5.6. At least four (4) weeks before the date set for counting the ballots, a ballot containing the names of the nominees, in the order presented by the Nominating Committee, shall be mailed to each member of the **Club** eligible to vote. The ballot shall be accompanied by the statement of each nominee. If no statement has been received from a nominee, it shall be so indicated, but the nominee's name shall remain on the ballot. [5513]

SR. 5.6.1: Promotion of Candidates

(a) General Matters. (i) Candidates for Director shall be provided reasonable opportunity to solicit votes and promote their views, and members shall have reasonable opportunity to exchange views freely.

(ii) As used in this Standing Rule, "**Club** entity(ies)" means any chapter, group, section, committee or other body operating under the authority of the Board, but not the Board itself.

(iii) Without authorization of the Board by resolution or except as provided in the Bylaws and these Standing Rules, no **Club** funds or other resources, including those of **Club** entities, shall be used to support or oppose any candidate for Director, including activities related to circulation of petitions. Resources include official publications and other forums, such as newsletters and web pages, but do not include the **Club** President, even if he or she receives a stipend.

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

(iv) Any Club entity may expend Club funds to carry out its designated duties in

connection with the election. Any Club entity may expend Club funds to publicize the election, its timing, or to urge members to exercise their right to vote, or to inform members about the election procedures and rules, but no expenditure made under this subsection shall mention or provide support for or opposition to any candidate or group of candidates in the election.

(b) Candidate Statements. (i) A statement from each nominee shall be distributed with the ballot mailed to each Regular or Life member. Statements and photographs, if they are to be included in the ballot materials, shall be delivered to

the Club's Executive Office by noon Pacific time on a date set by the Nominating Committee, not more than two weeks after the close of nominations.

(ii) The Nominating Committee shall prescribe the form of the statements, including the number of words and of paragraphs or indentations, the use of bullets or other printer's marks and specific information (for example, length of membership, offices held and other experience in the Club) that the committee may require of all

19

candidates. Candidates must submit with their statements evidence that each listed endorser has agreed to be so listed.

(iii) Candidate statements shall be reviewed for length, form and significant errors of fact about the Club by a Ballot Statement Review Committee. The committee shall consist of three Club members who are neither Directors, candidates for Director, nor members of the Nominating Committee, appointed annually and jointly by the Nominating Committee and Board of Directors or its Executive Committee. No change in a statement shall be made without the nominee's specific consent, except

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

to conform to the prescribed format (no substantive wording changes) or to delete any words beyond the limit. If the candidate does not make the statement conform to the prescribed format and/or word limit within five days of a request, the committee shall change the statement to do so. If a candidate, on request of the committee, refuses to remove significant errors of fact (but not differences of opinion) about the Club or any candidate from the statement, the Secretary, at the request of the committee, shall cause a correction or note to be published in the ballot materials, subject to an appeal to the Inspectors. An asterisk or other mark in the candidate's statement may be included to make the correction clear.

(iv) The introductory material that accompanies the candidates' statements for the election of Directors shall indicate whether the candidate was nominated by the Nominating Committee or by petition. There shall also be indication after each candidate's statement and/or under each candidate's photograph, as well as on the ballot, as to whether the candidate was nominated by the Nominating Committee or by petition.

(c) Articles. (i) No articles or messages by or about individual candidates shall be published in SIERRA, Club newsletters, web pages, or other Club publications between the close of nominations and the date set for counting Club ballots, except (A) for routine articles or messages (defined below), or (B) if all candidates are given at least seven days written notice, through the Club's Executive Office, to submit an article or message of equal length to be published with equal prominence in the same publication.

(ii) An article or message is "about" a nominee or petition candidate if it either

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

mentions the fact that the member is a candidate or has as its principal focus the candidate, as opposed to an incidental reference. An article or message is not "about a candidate" if it merely discusses the Club's elections, the functioning of the Board, or issues presented by the election without mentioning the names of any individual candidate or expressly advocating that members vote for or against any identifiable subset of candidates. An article or message is "routine" if it (A) does not mention the fact that the author or subject is a candidate, (B) does not mention the election, (C) relates to the candidate's performance of duties in an elected or appointed Club capacity, (D) is timely for Club purposes, and (E) is sent or published only to members who would normally receive similar articles or messages. Periodic reports

20

by the Club President to leaders and activists are routine even if the President is a candidate for reelection, so long as these reports do not mention the Club election.

(iii) During the nominating and election process, the Nominating Committee, in cooperation with the Chief Inspector of the Election, shall distribute to appropriate chapter and group leaders and editors memos in which the following matters are discussed:

- (A) the nature of the nominating process and the criteria used;
- (B) the availability of the petition process and a description of the procedures;
- (C) a statement of this Standing Rule on Promotion of Candidates;
- (D) a plea for orderly process in elections, asking that members vote for the

candidates that in their opinion would best serve the overall interests of the Club and its members.

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

The Secretary is authorized to include items (A) and (D), above, in an introduction to the candidates' statements distributed with the ballot, so long as no reference is made to any individual candidate or groups of candidates other than all candidates nominated by the Nominating Committee as a class. If any issues are also on the ballot, these materials should cover the rules about electioneering about them as well (SR. 11.2.2).

(d) Advertising. No Club publication, including chapter and group newsletters, web pages and electronic bulletin board systems, shall carry advertising for or against a candidate.

(e) Forums & Discussion Lists. (i) The Club may have a forum for Director candidates to answer questions selected by a Forum Questions Committee appointed by the Volunteer Leadership Advisory Committee. This committee shall consist of three representatives of the Council of Club Leaders and three other members. Germane discussion of Board candidates (for example, discussing forestry aspects of a candidacy on a forestry list) may take place on any other Club discussion list, subject to the usual rules of the list and unless barred by the sponsor/owner of the list. The rules may limit the length and frequency of messages from a discussant. The poster of a message about a candidate shall send a copy of the message to the candidate.

(ii) Under the rules issued by Inspectors of the Election, the Club may have a Club-sponsored election information website to provide links to election-related sites of the candidates' choosing.

(f) Meetings. Candidates or their proxies may speak to groups of Club members

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

about their candidacy at regularly scheduled meetings and outings as long as no

additional **Club** funds are spent. Candidates or proxies who travel to meetings at

Club expense may not discuss their candidacy on the floor of the meeting other than

a brief announcement that the member is a candidate. **Club** entities may hold

scheduled candidate forums provided that all candidates are given adequate notice

and an opportunity to participate.

21

(g) Chapter Endorsements. Chapters, but not groups or other **Club** entities, may

vote to recommend one or more candidates in the election to the Board. Such a

chapter recommendation must be adopted in a regular or special meeting by a

two-thirds majority of the number of executive committee members of the chapter

then in office. All candidates shall be given reasonable notice of any meeting at

which such a recommendation is to be considered and provided an opportunity to

make written materials relevant to their candidacy available at the meeting, at no

cost to the chapter, for consideration by the executive committee. Chapters and

groups may expend **Club** funds to communicate such a recommendation by the

publication of the following statement in the newsletters and websites of the

chapter and its own groups. "The [insert chapter name] recommends a vote for

[insert names of supported candidates] in the upcoming election for the **Sierra**

Club's Board of Directors."

(h) Mailings. (i) A member's request for access to the membership list to

communicate with other **Club** members about candidates in a **Club** election is a

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

purpose reasonably related to that member's interest as a **Club** member. [see SR 4.1.2]. A copy of such communication and a description of the members to which it was sent must be sent to each candidate in the election and to the Executive Office at the time it is first sent to **Club** members.

(ii) The Executive Office will notify all candidates in the **Club** election of requests when all required information and fees are received ("Valid Requests"). Valid Requests for access to the membership list to communicate about candidates in a **Club** election must be received at least 40 days before the date set for counting the ballots in that **Club** election. If any such Valid Request is received, other such Valid Requests may be made until 30 days before the date set for counting ballots in that same **Club** election.

(iii) A **Club** member in good standing may use published **Club** lists, including the Leader Directory, to communicate with **Club** leaders about **Club** elections. However, e-mail addresses and telephone numbers from the Leader Directory may not be used by a **Club** member for fundraising of any kind.

(i) Candidate Websites. Individual candidates or groups of candidates may have their own promotional websites. To avoid any misunderstanding, the opening page of any such site must say "This site is not sponsored or supported by the **Sierra Club**."

(j) Records and Reporting. (i) For six months after the election, candidates shall keep records of (A) contributions aggregating \$100 or more from one person

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

(including such contributions from the candidate), which records shall include the identity (name, address and telephone number) of the contributor, date, amount of contribution, and aggregate number of that person's contributions, and (B) expenditures of \$100 or more, including recipient, amount, date and purpose.

22

(ii) Each candidate shall report this information to the Inspectors of Election and to the Executive Office (A) 40 days before the date set for the counting the ballots and (B) within five days of receipt of a request for the information from the Inspectors of Election or the Executive Office. The reports shall be available for inspection and copying by any member.

SR. 5.6.2: Complaints, Appeals, Remedies & Sanctions

(a) Complaints. Once the election process has begun, any **Club** member may complain to the Inspectors of Election about a violation of these Standing Rules, the Bylaws or applicable law governing the conduct of the **Club**'s annual election by any person or entity, or the Inspectors may consider a potential violation on their own. The election process will begin at the following time (i) for elections to the Board, when the Nominating Committee has made its report to the Board, or when a petitioner for Director has notified the Secretary of an intention to circulate petitions, whichever occurs sooner; or (ii) for ballot issues when the Secretary has approved a resolution and petition for circulation. To guarantee review, a complaint must be

received within 10 days of an alleged violation, but the Inspectors may entertain a complaint made later. Except for complaints received within five days of an alleged violation or about the vote counting process, no new complaints will be considered if made later than five days after the date set for counting the ballots. The Inspectors may also make advisory rulings before a proposed action is taken. Decisions shall be based on the Club's Bylaws and Standing Rules, in conformance with California law, to ensure a fair election.

(b) Remedies and Sanctions. The Inspectors may take such action as may be proper to conduct the election or vote with fairness to all members, including, but not limited to requiring a Club entity or member to remedy any violation through (i) an expenditure to remedy the violation or (ii) repayment to the Club of the value of any resources used.

(c) Content and Availability of Rulings

(i) Written rulings of the Inspectors on complaints must state the reason(s) for the ruling, including summaries of written documents relied on by the Inspectors to support the ruling. These written rulings will be made available to the complainant and on the Club's extranet as soon as practicable, accompanied on the Club extranet by the complaint leading to such ruling, if received by the Inspectors in writing.

23

(ii) In their discretion, the Inspectors also may make available on the Club's extranet other written documents related to their ruling or may make such documents available to the complainant prior to their ruling, except those documents designated as attorney work-product or privileged. This subsection (ii) shall not be the basis for

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

any complaint or appeal to the Board.

(d) Appeals to Board

(i). A party aggrieved by any decision of the Inspectors may appeal to the Board by filing a written statement setting forth the basis of the appeal delivered by ordinary mail, email, or fax transmission to the Secretary in care of the Executive Office, with a copy to the Inspectors, within five days of notice from the Inspectors to the complainant of the Inspectors' decision, or afterwards if good cause for the delay is shown. The Board may entertain appeals at its discretion, but must decide all appeals it elects to consider within 20 days following the date set for counting the ballots. Board decisions on appeals will be transmitted in writing to the appellant and the Inspectors by the Secretary as soon as practicable.

(ii) If the Board entertains an appeal and finds that the Inspectors have erred as to the meaning of the Bylaws or Standing Rules, the Board shall state the proper meaning and remand the ruling to the Inspectors for reconsideration. If the Board entertains an appeal and finds credible and sufficient evidence that the Inspectors have erred as to a material fact supporting the ruling, the Board shall remand the ruling to the Inspectors for further investigation and reconsideration. If the Board entertains an appeal and finds that the Inspectors have not so erred, it shall affirm the ruling.

(iii) If a Director is alleged to have committed an election violation, the Director may remain present during the deliberations and the vote on an appeal from a ruling of the Inspectors about the alleged violation, but the Director shall not vote on whether to entertain the appeal or on its merits. Directors also shall not vote on an appeal involving a transaction between the Director and the **Club** in which the Director has a material financial interest. No vote on an appeal is the act of

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

the Board unless a majority of the Board members who are present at the meeting vote to take such action.

(e) Certification of Election. Unless an appeal of a decision made by the Inspectors is pending before the Board, the Inspectors may certify the election results and officially report them to the Secretary at the end of the fifth day after the date set for counting of the ballots. If an appeal of a decision made by the Inspectors is pending before the Board, the Inspectors may certify the election results and officially report them to the Secretary promptly after the Board declines to hear the appeal or the Board decides the appeal, or at the end of the twentieth day after the date set for counting of the ballots.

5.7. Each voter shall be allowed to vote for up to five (5) candidates; a voter may not cumulate votes for any candidate. Ballots shall be returned to the principal office of

the Club or to such other place as is designated by the Inspectors of Election.

Ballots shall be counted on the second Saturday of April or on such later date, which shall be no later than June 1, as is set by the Board of Directors. No ballot shall be counted if received later than 12:00 o'clock noon on the date set for counting the ballots. The five (5) candidates receiving the highest number of votes shall be elected. Upon receipt of the report of the Inspectors of Election, the Secretary shall notify in writing the members elected. [5616]

5.8. Each Director shall be elected for a term of three (3) years. A Director may serve for an unlimited number of terms, providing that a minimum period of one year's absence from the Board shall occur after any two (2) consecutive full threeyear

terms. The Directors shall enter upon their term of office at the annual meeting of the Board of Directors and shall hold office until their successors have been elected and qualified. [5220]

5.9. A vacancy on the Board shall occur on the death, incapacity, resignation, or removal of any Director, or otherwise as provided by law. A majority of the remaining Directors or Director then in office may elect any member in good standing to fill any vacancy for the remainder of the term, except as restricted by Paragraph 5.8. [5220, 5224]

5.10. Any Director or other officer of the **Club** may be removed from office by a majority vote of all ballots cast in a special ballot of the **Club**, called by a petition signed by five percent (5%) of the members and conducted as provided in Paragraph 11.3. The petition shall individually name each Director or officer whose removal is being requested. Any Director who misses three (3) consecutive meetings of the Board of Directors may be removed from office by vote of the remaining Directors. [5221, 5222, 5510]

SR. 5.10.1: Removal - Petitions

All Regular and Life members of record on April 30 shall be counted for determining the number of signatures required on a petition to call a vote to remove any Director or other officer of the **Club**. On the date the petition is signed, the signer must have been a member of the **Club** in any membership class for at least 60 days.

SR. 5.10.2: Termination of Membership or Suspension of Member Privileges

(a) The Board has an obligation to protect the **Club** from harm, ensure a safe and

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

productive working environment for members and staff, and foster a Club in which people want to participate in its mission. To assist in fulfilling this obligation, the

Board delegates the authority for termination of Club membership or suspension of

25

member privileges, including the privilege of serving in elected or appointed Club

leadership positions, to the Executive Director, Club President, and chair of the Board

Volunteer Leadership Advisory Committee. This delegation does not impair the

authority of the Board or any Club officer to take action required in an emergency or by law.

(b) Any Club member may request to terminate a membership or suspend a member's

privileges by submitting such a request to the Club's Executive Office. The reason

for such a request must be that the actions of the member:

(i) constitute Misconduct as defined by Standing Rule 2.2.6;

(ii) constitute Sexual Harassment as defined by Standing Rule 2.2.7;

(iii) significantly undermine the work of volunteers or staff by repeatedly creating a

public misimpression about the Club, its positions or policies;

(iv) are repeatedly hostile or harassing of others - in meetings, at Club activities or offices, or in public venues - so that others become fearful, apprehensive, or reluctant

or unwilling to participate in Club activities with that member; or,

(v) have significantly disrupted or impaired the work of the Club, or will significantly disrupt or impair it if the actions continue.

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

The request should include a description of the ways in which the Club is, or may be harmed by the actions of the member; contact information for individuals who have been affected by the actions of the member and who have information relevant to the request; and a statement, if applicable, describing prior efforts to resolve these concerns.

(c) Upon receipt of a request, the Executive Director, President and chair of the Board Volunteer Leadership Advisory Committee have the discretion to determine that the request appears to be premature, of an insignificant nature, merely a personal grievance, or possessing some other circumstance that should be dealt with more appropriately by other means. They shall not be obligated to take any further action on such requests other than to inform those who have requested such action of that determination.

(d) (i) If the Executive Director, President and Board Volunteer Leadership Advisory Committee chair determine the request may warrant action, they will inform the member and those who have requested the investigation of that determination. The Executive Director, working with staff, shall then conduct an investigation, including contact with the member who is the subject of the request and with others who have knowledge about the situation. The results of that investigation must be presented by staff to the Executive Director, the President and chair of the Board Volunteer Leadership Advisory Committee ("Panel") and they must reach consensus on appropriate action, if any.

(ii) If they agree to take action, they will notify the member in writing of this decision, the reasons for it, and the effective date of the action. The action will become effective 15 days after notice is given by registered mail, or other method reasonably calculated to provide actual notice, sent to the last address of the member

Such coverage shall ensure that draft issue petitions that have not been approved by the Secretary are not confused with any that have been so approved.

(b) Content of Resolution. A resolution presented by petition (i) may seek to amend the Bylaws, contingent on approval by the Board, pursuant to Bylaw 13.1, (ii) if it seeks to change policy, shall be restricted to a single subject and may not restate existing policy except to show how the proposed policy differs and (iii) if it proposes to amend the Bylaws, shall follow the form of the Bylaws.

submission. Without authorization of the Board, or except as provided for in the

Bylaws or these Standing Rules, no **Club** funds or other resources, including those

of **Club** entities, shall be used for the circulation or solicitation of signatures on approved petitions, except that newsletters and websites may carry a brief news item to inform readers that a petition question has been approved for circulation, the text of that question, and contact information for the lead petitioner. If and when an opposing position to the proposed question emerges, newsletters and websites should also provide similar contact information.

(g) Submission of Petitions. Petitions proposing a resolution for adoption by the

Board of Directors or the membership of the **Club** may be submitted at any time.

Signed petitions shall be submitted to the Executive Office. Petitions that may require a vote of the membership shall be delivered in original, facsimile, or by electronic transmission capable of being printed in clearly legible tangible form to

existing policy or procedures are proposed, the current provision(s), or a summary thereof, shall also be stated for comparison. If more than one alternative to existing policy is proposed, members shall be given a choice among them and a "none-of-the-above" option. The ballot shall state that this option would preserve existing policy. Any ballot issue must receive a majority of the votes cast to prevail, provided that a quorum votes on the issue. The ballot pamphlet and ballot itself shall make clear the recommendation of the Board, if any is made, on any ballot measure.

A written petition submitting a resolution must be

36

delivered to the principal office of the **Club** by the date set by the Board of Directors in order for it to be qualified for presentation on the annual ballot. The ballot shall be printed so as to enable the members to express approval or disapproval of each resolution. The mailing of the ballot and the counting of the votes shall be conducted in the same manner as for the election of Directors (Bylaw 5, Section 2). The ballot shall be accompanied by a statement setting forth arguments for and against the question and stating the number of approvals necessary to pass the

measure submitted. [5513]

SR. 11.3.1: Promotion of Positions on Ballot Issues

(a) Ballot Statements

(i) Coordinators. One statement each in support of and in opposition to each ballot

issue shall be distributed with the ballot mailed to each member. The petitioners

shall designate, in writing (by letter, fax or e-mail) to the Secretary in care of the

Executive Office, a position coordinator to be responsible for overseeing the

preparation and submission of the statement in favor of the ballot issue. To identify

position coordinators for any other required opposing or supporting statements, the

Secretary shall consult with potential opponents or supporters of the ballot issue and

designate position coordinators to be responsible for overseeing the preparation and

submission of these statements. No coordinator shall be a candidate for the Board in

the same election. If no statement supporting or opposing a ballot question is

received by the deadline provided in these rules, the Secretary shall inform the

Chief Inspector of Election and President, and then the President, or the

President's delegee, will prepare a statement that provides a summary of

arguments supporting or opposing the question, identifies the preparer, and

indicates that no other statement was received.

(ii) Requirements.

(A) Each position statement, pro and con, shall have a maximum of 400 words,

including the names and affiliations of the signers. Coordinators must submit with

all statements evidence that any listed endorsers have agreed to be so listed. No

candidate for Director shall be shown as a signer of this or of either of the statements

provided for in subsection (b) of this Standing Rule.

(B) The Secretary shall prescribe the form of the statements, considering such issues

of form as are set forth in subsection (b) of Standing Rule 5.6.1. The Secretary shall

review each statement for form and significant errors of fact about the **Club** or the

resolution. No change in a statement shall be made without the coordinator's

specific consent, except to conform to the prescribed format (no substantive wording

changes) or to delete any words beyond the limit. If the coordinator does not make

the statement conform to the prescribed format and/or word limit within five days of

a request, the Secretary shall change the statement to do so. If a coordinator refuses

to remove significant errors of fact (but not differences of opinion) about the **Club** or

37

the resolution, the Secretary shall cause a correction to be published in the ballot

materials, with an asterisk or other mark in the position statement as may be

necessary to make the correction clear.

(C) Deadline. The deadline for receipt of statements for or against ballot issues at

the **Club** Executive Office in original, facsimile or e-mail shall be noon Pacific

time on the last business day on or before the Friday after the last regular meeting

of the Board before the close of nominations, unless the Board has put an

alternative question on the same subject on the ballot, in which case the deadline

shall be noon Pacific time on the last business day on or before the fourth Friday

after this meeting. If a ballot question is initiated by the Board at its last regular

meeting before the close of nominations, the deadline for receipt of statements for

or against it is noon Pacific time on the third Friday following that Board meeting.

(b) Promotion of Positions (Electioneering)

(i) **SIERRA** Statements. If time and space permit, the promoters of each position

Regulatory update: California Public Utilities Commission; Sierra Club , has submitted (A1509007) Notice filed by Sierra Club on 11/20/2015 Conf# 92201

shall be allocated equal space in an issue of **SIERRA** that is distributed in advance of the election to expand the arguments presented in the ballot statements. The names and principal identifications of the signers of the statement shall be included in the space allotment. Excepting questions of legality (libel, fraud, etc.), **SIERRA** shall not exercise **editorial** control over the material submitted. The Executive Director shall determine the appropriateness of timing and amount of space available. Due to time and space limitations, there shall be no exchange of statements and no rebuttals of the opposing statement except as arranged by the two coordinators between themselves.

(ii) Statements for Newsletters. Additional statements of no more than 750 words, including the names and principal identifications of the signers, expanding on the ballot statements may be submitted to the Executive Office in original, facsimile, or e-mail by noon Pacific time on the last business day on or before the third Friday after the last regular meeting of the Board before the closing date for nominations, unless the Board has put an alternative question on the same subject on the ballot, in which case the deadline shall be noon Pacific time on the last business day on or before the fifth Friday after this meeting.

(A) These statements shall be distributed to the editors of all **Club** newsletters of record in the volunteer leadership file. Due to time and space limitations, there shall be no exchange of statements and no rebuttals of the opposing statement except as arranged by the position coordinators.

(B) Newsletters and other **Club** publications, including web pages, may publish these or any other official statements, including the **SIERRA** statements, if they publish the statements on both sides. They may also publish matched opinion pieces

on both sides of approximately equal length written for this purpose, by their local members or by others.

38

(iii) **Editorial** Positions. **Editorial** positions taken in chapter and group newsletters on ballot questions must represent the position of the respective chapter or group executive committee as adopted in a regular or special meeting.

(iv) Letters to the Editor. Letters to the editor on ballot questions, if any are published, shall, as a whole, reflect a balance of positions on the issue insofar as possible. Letters must be signed.

(v) Advertising. No advertising may be accepted promoting a position on a ballot issue in a **Club** newsletter.

(vi) Web Page Links. Any mention in a **Club** publication, including a web page, of, or link to, a web page formally designated by one side of a ballot issue must be matched by a corresponding mention of or link to a page designated by the other side of a ballot issue, unless the other side has not responded with a web page address to a request for it from the publisher of the reference or the **Club** Secretary or webmaster.

(vii) Use of **Club** Resources. Without authorization of the Board of Directors, no

Club funds or other resources, such as official publications and other forums or means of communication, including newsletters and web pages, and including those of chapters, groups and other entities, shall be used in support of or opposition to any ballot issue, unless both sides have the same opportunity.

other Club members about a ballot issue in a Club election is a purpose

reasonably related to that member's interest as a Club member.

(B) The Executive Office will notify the position coordinators in the Club election

of requests when all required information and fees are received ("Valid

Requests"). Valid Requests for access to the membership list to communicate

about a ballot issue in a Club election must be received at least 40 days before the

date set for counting the ballots in that Club election. If any such Valid Request

is received, other such Valid Requests may be made until 30 days before the date

lists, including the Leader Directory, to communicate with Club leaders about

Club elections. However, e-mail addresses and telephone numbers from the

Leader Directory may not be used by a Club member for fundraising of any kind.

39

(ix) Forum.

(A) Under rules issued by the Inspectors of the Election, the Club may have a forum

for discussion of each ballot issue or each set of alternative ballot issues. The rules

may limit the length and frequency of messages from a discussant.

(B) The Inspectors of the Election may issue rules for a ballot question

information website to provide links to election-related sites of the position

coordinators' choosing.

(x) Records and Reporting.

(A) For six months after the election, petitioners and position coordinators shall keep records of contributions aggregating \$100 or more from one person, including identity (name, address and telephone number) of the contributor, date, amount of contribution and aggregate amount of that person's contributions; and expenditures over \$100, including recipient, amount, date and purpose. A coordinator shall provide this information to the Inspectors of election within (1) five days of receipt of a request for the information by e-mail, fax or delivery (add three days for mail) within 60 days before or 30 days after the date set for counting the ballots; or (2) 10 days at other times.

(B) Coordinators shall report the aggregate amount of contributions and expenditures 45 days before the date set for counting the ballots and 15 days after that date. Individual contributions and expenditures of \$100 or more, including the identity of the contributor or recipient, shall be reported to the Executive Office within 10 days of receipt and within 15 days before the date set for counting the ballots. The reports shall be available for inspection and copying by any member.
