Lawrencia "**Bambi**" Bembenek - the ex-cop, escaped con and former Playboy bunny - tasted freedom again for a few hours this weekend. But after being released on \$ 10,000 bond Friday, she was **back** in a Toronto jail Saturday night.

Bembenek, 33, who says she was framed for the 1981 murder of her then- husband's ex-wife, fled Wisconsin's Taycheedah Correctional Institution in July 1990.

She and her fiance, Dominic Gugliatto, 35, were caught in October 1990 in Thunder Bay, Ontario.

He was deported to Wisconsin and convicted Sept. 4 of aiding the escape. He could be sentenced to five years in prison. She fought extradition and is seeking political asylum in Canada.

An immigration official released her on bond pending a mid-October refugee hearing, but she was ordered **back** to a jail when Wisconsin authorities filed a new extradition request. "It's just so unfair," she sobbed while taken into custody. She was denied bail Sunday.
