

Latin Americans And the Island

The New York Times

August 22, 1982, Sunday, Late City Final Edition

Copyright 1982 The New York Times Company

Section: Section 11; Long Island; Page 24, Column 5; Long Island Weekly Desk; Letter

Length: 78 words

Body

The implication that **Latin Americans** are recent immigrants to Long Island couldn't be further from the facts ("Immigrants Adjust to Life on L.I."). In fact, Brentwood and the surrounding areas as far as Shirley and beyond have the second largest Latin American population next to New York City. It is significant because Hispanic people constitute a distinct culture on Long Island because of their close ethnic ties to one another.

MARIA STANNISH, Northport

The implication that **Latin Americans** are recent immigrants to Long Island couldn't be further from the facts ("Immigrants Adjust to Life on L.I.")
