A truck carrying 60 illegal immigrants overturned on a mountain road Saturday, killing one and **sending** dozens more **fleeing** into the desert.

Ten people were hurt in the wreck and three of those **fleeing** were injured when they fell into an old mine shaft. Authorities said they had not determined how the **accident** happened east of Phoenix. The 60 adults were riding on the partially enclosed back of a flatbed truck, said Dave Trombi of the Maricopa County sheriff's office. Most who fled were found hiding in a cave.
