**Brave New World** has no release date yet from The USA Network.

Production on the series hasn't started yet but shooting is expected to start in the UK soon.

**Brave New World** was originally ordered by Syfy in 2015, though the project never got past the development stage.

If **Brave New World** starts filming soon, we can probably expect the series to air in early 2020.

**Brave New World** is being turned into a TV series by USA, who has not given it a release date yet  
Who will star in **Brave New World**?

USA has not revealed the **Brave New World** cast yet, though they are sure to start announcing it soon.

The novel has been made into a TV movie twice - once in 1980 with Bud Cort in the main role of Bernard Marx and once in 1998 with Peter Gallagher.

In 2009, Leonardo DiCaprio was attached to lead the cast in a version by Ridley Scott, though this has been put on hold.

We will update this article when the **new Brave New World** cast is announced.
