A 20-year-old Huntington Beach man escaped injury Friday after he was shot at by one of four men in a truck.

Police Sgt. Gary Faust said **police** responded to a possible hit-and-run accident at the corner of Rotterdam Lane and Warner Avenue at 11:50 a.m.

They found the 20-year-old victim who said he had been approached by the four men. One of the men allegedly rammed a Dodge Ram pickup truck into the victim's car. Another man in the truck fired two gunshots at the victim.

The victim was not wounded, Faust said. The car was last seen on Rotterdam, headed toward Warner Avenue.
