### **Body**

---

An illegal immigrant trying to cross into the United States was **rescued** on Saturday morning from an **ice floe** less than a mile upstream from **Niagara Falls**, the authorities said yesterday. Guards at the Ontario Power Generation company's water intakes on the Canadian side of the **falls** heard the man screaming for help about 4:30 a.m., company officials told The Buffalo News. The 42-year-old man, who was not identified by the authorities, was plucked from an **ice floe** by rescuers in boats. The authorities said the man was trapped when the section of **ice** he was on broke loose.
