Re: It's folly to spend on civic esplanade(<https://windsorstar.com/opinion/letters/reader-letter-now-is-not-the-time-for-city-to-spend-on-civic-esplanade>), **letter** by Howard Weeks, Sept. 7

In Howard Weeks' **letter** to The Star in regards to a new civic esplanade, he states, "Thanks to Doug Ford, dark financial clouds are on the horizon." Apparently, Mr. Weeks is severely misinformed. It is not thanks to Doug Ford that Ontario is soon to become a financial wasteland, rather it was 15 years of reckless Liberal spending that has brought Ontario to its knees. Civic esplanade or not, people like Mr Weeks need to get their facts straight and stop blaming Doug Ford for having to clean up another Liberal disaster.
