Dear **Editor**, Roll on indy ref 2. Prevent more austerity and foodbanks, disability benefit cuts leading to people taking their own lives, Brexit armageddon, cuts to police, fire and armed services, more investment in weapons of mass destruction and WAPSI women's pensions denied.

Scotland should have the power to decide its own future.

Labour and the Liberal Democrats want another referendum on the EU maintaining the electorate have changed their minds since 2016 - Scotland should have the same choice after five years.

The SNP group are the only MPs in Westminster standing up for Scotland's rights.

It's looking likely there will be a snap general election; let us put all our energy into getting rid of these 13 spineless Tories who never have or will stand up for Scotland.
